WHO WE ARE

Our mission is to support the health, safety, and security of University students, faculty, and staff traveling internationally on University programs or for University business.

International Safety & Security is housed within the Executive Office of Illinois International and reports to the Vice Provost for International Affairs and Global Strategies.

WHAT WE DO

- Provide comprehensive incident response 24/7 to students, faculty, and staff abroad.
- Work closely with offices across campus to maintain University policies related to international travel.
- Manage International Insurance enrollment and assistance.
- Provide training for students, faculty, and staff.
- Review travel for high-risk destinations and consult on specific health, safety, and security information and concerns.

BEFORE GOING ABROAD

- Use your International Insurance to find and schedule appointments abroad, check the legality of your medications and arrange prescription refills in-country, and request a translated allergy card.
- Thoroughly research your destination country’s history, culture, laws, and demographics.
- Create a communication plan with your family and friends.

WHILE YOU’RE ABROAD

- Use your International Insurance to seek mental or physical health care.
- Understand how local culture, laws, and legal systems vary; consider your actions and how locals may interpret them.
- Consider the risks of alcohol/drug use; never go out alone; drink responsibly and have a plan; always watch your drinks.
- Remain vigilant; inform others if something does not seem right; trust your “safety” instincts.

24/7 Emergency Contact Number: +1 (217) 333-1216

In the event of a life, limb, eyesight, or other significant emergency, seek immediate medical care at the closest hospital or medical facility. When able, please contact the University of Illinois Police Department using the emergency contact number above to be linked with our staff.
